

Blank Multiplication Grid

Fill in the whole grid

Write the answer where each row and column meet.

×	1	2	3	4	5	6	7	8	9	10
1										
2										
3										
4										
5										
6										
7										
8										
9										
10										

Blank Multiplication Grid

The easy rows are done — finish the rest

The 1, 2, 5 and 10 rows are filled in — they are the ones most children learn first. Use them to work the rest out.

×	1	2	3	4	5	6	7	8	9	10
1	1	2	3	4	5	6	7	8	9	10
2	2	4	6	8	10	12	14	16	18	20
3	3	6			15					30
4	4	8			20					40
5	5	10	15	20	25	30	35	40	45	50
6	6	12			30					60
7	7	14			35					70
8	8	16			40					80
9	9	18			45					90
10	10	20	30	40	50	60	70	80	90	100
