

Number Line Jumps

Jumps up to 10

Draw the jumps on the line, then write where you land.

$3 + 4 = \square$

$6 + 2 = \square$

$1 + 8 = \square$

$5 + 5 = \square$

Number Line Jumps

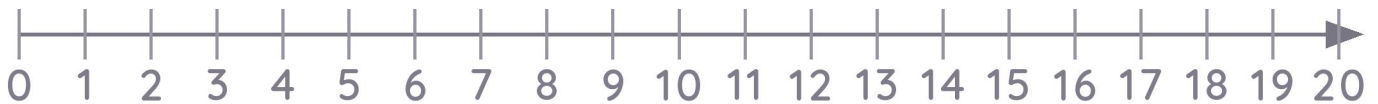

Jumps up to 20

Some of these take away. Hop backwards along the line for those.

$$8 + 5 = \square$$

$$12 + 6 = \square$$

$$17 - 9 = \square$$

$$14 - 8 = \square$$
